## INDUSTRY EXPERIENCE

### QUALITY DESIGNER (SENIOR QA)

Electronic Arts (08/2024 - Present)

- Senior QA for the main Frostbite engine and associated tools used by multiple EA game teams (Battlefield 6, FC, NHL, College Football, UFC etc)
- Designed and maintained test cases and test plans
- Partnered with Tech Art, UX, and Engineering to ensure high quality tool releases
- Owned quality standards and release readiness for assigned tools
- Participated in internal game jams, gaining hands-on experience developing gameplay and level/environments in Frostbite.

### SENIOR QA/GAME DESIGNER

Hipster Whale (12/2020 - 04/2024)

- Release Management & Quality Assurance
- Product Quality Standards & Test Plans
- Multi-platform testing (Mobile, Tablet, Apple TV, Consoles, Apple Vision Pro VR)
- Commercial Usability & Compliance Testing
- Content & Live Service Events Design (Crossy Road)
- Crossy Road world design (Medieval and 2 unreleased worlds)

### JUNIOR QA TESTER

Ubisoft, India (01/2017 - 08/2017)

- Commercial Usability
- Playability Reports
- Team Moderator
- Bug Database Management (JIRA)
